

Fauquier County Soccer Club (FCSC) to join CCL II

Charlottesville, VA (December 19, 2016) – The Club Champions League (CCL) is pleased to announce that Fauquier County Soccer Club (FCSC) will join CCL II starting Spring 2017.

“We are very excited to have FCSC United join and participate in CCL II. We look forward to a robust relationship with FCSC and know that players, families, coaches and more will be excited to learn of the many benefits CCL II has to offer,” commented Brian Kuk, CCL Executive Director.

FCSC United will play in the club-to-club 11-15 boys and girls age groups as well as enter the 9-10 boys and girls developmental divisions. FCSC families in the 9-10 age groups will also participate in the league’s free CCL ScrimmageFest powered by SKLZ.

“When you look at the Club Champions League, you see a group of member clubs that work together rather than against each other. In their decisions, they put the player's first and that was a primary consideration in our decision to apply and join. We're very excited for our player’s and coaches to have this opportunity and we look forward to learning and sharing in our participation in the league,” said Dan Hayes, General Manager, FCSC United

CCL II offers a division for CCL clubs and non-CCL clubs seeking to develop their players, coaches, and club through the proven club-centric model and standards of excellence.

“The Club Champions League has a strong record of supporting the development of its players, teams and member clubs. For our players and coaches to have an opportunity to showcase their skills within the most successful league in the state and region, is a tremendous opportunity,” stated Carl Gray, FCSC United newly appointed Technical Director.

Beginning March 2017, CCL II will see new Spring schedule that will include FCSC United plugging into the player and club development structure.
