

CCL ScrimmageFest powered by SKLZ

Basic Rules

Coach Expectations

PURPOSE: Provide four (4) free 30-minute matches to offer CCL Under 9 and Under 10 players the opportunity to create, take risks and oversee their own matches. Also to provide coaches the opportunity to teach/organize their team in a fun, educational environment. The perfect score for a 30-minute match would be something like 5-5 or 6-4. If goal differential goes over 4 goals, coaches can agree to add players to the team that is behind. Per CCL Rules & Procedures, all U9 and U10 matches will be played 7 versus 7.

1. 30-Minute Matches. No halftime, continuous clock. We start and end on-time. If the field is open, coaches can agree to start at any time, even if before the scheduled kickoff (get extra minutes in!). In the rare occurrence you play back to back games, you will have **5-10 minutes between games** (depending on event) to find field, figure out jersey conflict (if there is one). And yes, you can play in bibs/pinnies! **Home team will change uniform in case of color conflict.**
2. There are no referees; coaches are 'guiding' the games and helping create a positive learning environment. Coaches will need to help players call fouls, offside, etc. Coaches can sit on the bench, stand on sideline, walk on the field, etc. to help facilitate the match and help players (please limit time on the field if helping players). Coaches can also take turns 'refereeing' the game (one coach does first half, other does second or both can help by 'refing' in their half of play). Make sure that teams maximize as much playing time as possible.
3. **New!** There are completely free substitutions and can be done on the fly to keep the flow of the match. We recommend that the player entering the field stay on the touchline until the player exiting the field is within 3-5 yards of the touchline.
4. Field sizes may be anywhere between 55x35 to 65x45 yards (depending on location) with 6x18 goals to 7x21 goals (both goals on a field will be the same size).
5. Home team (listed) should provide CCL adidas Champions League game ball; size 4. Your club has these balls. If you don't have one, ask your CCL Director. If not available, use the best inflated adidas ball.
6. We do not check player cards. However, make sure you have your player cards with team / team manager, and medical releases, etc.
7. **Please clean up your bench area after your game.**
